Secure E-fax with Voided Check *Easier business submission*

We have made it easier for you to submit new business. United Security Assurance is now accepting faxed applications with voided checks! You may fax your application to our Souderton home office from your computer or fax machine.

Here's what you need to know:

- We have a dedicated, Toll-Free Fax Number: **888-976-5969** – use this number to send **only** applications and related underwriting information.
- Faxed applications **must be** completed, clean, and legible – if we are not able to read the information, we will contact you and you may need to mail the original application.
- Fax the client's voided check, with a signed authorization for bank draft, or a signed credit card authorization. (Credit card accepted for our LSS/ LSS-Select plans only.)
- We will also accept faxed applications with initial premium checks mailed.
- United Security Assurance will deduct 2 months premium and the one-time \$25.00 policy fee from your client's account after policy has been issued and we've received the policy delivery receipt.
- Be sure to keep the original copy of the application for your files.

Fax in your next application! [Download and print out a copy of the fax cover sheet.](#)
