

[United Security Assurance](#), the right place for LTCi.

SecureHorizons

According to a study released by the American Association for Long-Term Care Insurance (AALTCI, just over half of all long term care insurance claims that began in 2018 started with care in the policyholder's home. For clients who are looking for an alternative to long term care insurance and realize having a home health care plan in place makes sense, are good candidates for our short-term home health care insurance plan, **SecureHorizons**.

This indemnity plan will pay for care up to 360 days and offers a rider for facility care, as well as an option to have inflation built into the policy.* If you are working with clients who have more challenging health conditions, or have a limited budget, this plan may be just the right solution for them.

To get a quick overview of our **SecureHorizons** insurance plan read the [product brochure](#) or click on the image below to view a short video.

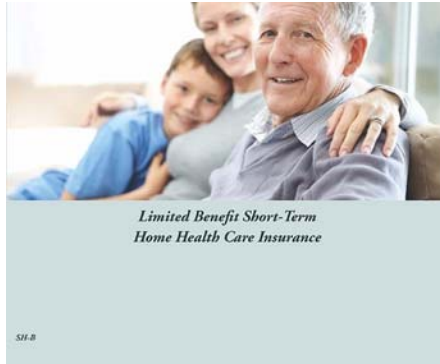

If you would like to obtain a proposal or have specific questions regarding this plan, please call our Marketing Team today at **800-872-3044**.

Email us topics or specific questions that you would like us to cover.

*Inflation riders not available in Pennsylvania.
